All Dog Show Guidelines Apply

Time of Arrival: after 4pm / Departure Time: by 11am

Dogs left unattended in a guest room must be in a crate. Plastic sheeting should be placed under each crate in the guest room area.

Housekeeping must be allowed to clean a guest room (with dogs) at least every two days. Guests who have special requests (i.e. a certain time of the day that the room will be vacant) can discuss them with the housekeeping staff upon arrival.

The individual guest will be responsible for any damage to a guest room or any hotel property. This includes, but not limited to, replacement cost for carpeting if odors or stains cannot be removed with traditional cleaning methods.

Dogs are to be leashed at all times when out of the guest room.

The hotel and the show committee will investigate any problem areas that are outlined above. Any guest not following the above guidelines will be asked to check out of the hotel without refund.

Dogs will not be allowed in the following public areas: the lobby, restaurant, lounge, Holidome, and the respective hallways to the areas listed.

There will be a \$100 fee for any removal of guest room furniture. All furniture must remain in the room at all times.

Room assignment is at the discretion of the hotel. This basis is in reference to the date the room was reserved, not the date the guest arrives.

Our hotel cannot guarantee any special request. We will, however, try our best to meet your wishes

CCA GUIDELINES FOR HOTEL/MOTEL MAINTENANCE

Because some dog people have been irresponsible in safeguarding property of hotels, it is increasingly difficult to secure suitable housing for our shows, our members and our dogs. For this reason the CCA is issuing the following guidelines for exhibitors to ensure that we are welcomed at hotels/motels.

1. If dogs are exercised in the rooms, this must be done in exercise pens. Do not blockade the bathroom or closet, for example to accomplish this. To set up exercise pens, use heavy plastic that is provided in the Welcome Bag as a base, with multiple layers of newspapers on top, then place the exercise pen on top of the papers. NO SHAVINGS, PELLETS OR ANY OTHER MATERIAL OTHER THAN PAPER WILL BE ALLOWED. The heavy duty plastic is pulled up above the "piddle" line about 8 to 10 inches and secured with clips or clothes pins. Soiled papers must be removed and placed in plastic bags for ease of disposal. Do not expect the housekeepers to have to touch any soiled papers, and soiled papers must not be merely placed in wastepaper baskets, as the scent of excreta and urine will penetrate the wastebaskets. All rooms must be kept clean and smell clean. This protects curtains and furniture.
2. When dogs are left alone in the rooms, they must be left in their individual crates. Even "unclimbing" dogs have been known to climb out of their exercise pens when left in strange areas. And "digging" dogs have dug their way through their plastic and continued digging through the carpeting. This requirement of keeping dogs in their crates thus protects the animals from escaping while housekeepers come in, and of course, protects the furnishings.
3. Dogs must not be allowed to run free in the room, whether the owner is present or not. Many a good dog becomes suddenly unhousebroken when it encounters strange odors in strange places
4. Owners/exhibitors should bring their own toweling for bathing the dogs. Hotel/Motel equipment must not be used for cleaning up accidents, owners/exhibitors must provide their own cleanup material...paper towels, vinegar, Fantastic, and the like.
5. Most hotels/motels that permit the use of their facilities for dog shows have a policy limiting the number of dogs allowed per room. There will be a maximum of 8 dogs per room. This will be strictly enforced.
6. No dogs will be allowed on any carpeting, including lobby rugs, halls, guest rooms, show room, etc.
7. No exercising of dogs (outside) in any areas, except those areas posted with signs as dog areas. Each person is responsible for cleaning up after their dog, inside and outside of the motel.
8. No dogs allowed outside of their crates, unless in an x-pen w/plastic, or in the show ring.
9. No dogs allowed in the lounge, lobby, banquet/meeting rooms and restaurants.
10. Dogs MUST BE carried in and out through designated exits/entrances only.
11. The only breed of dog that is allowed in the hotel will be chihuahuas. No other animals will be allowed.
12. Rooms must be made available for maids to clean daily. Do not disturb signs will not be honored during the day.
